

Marquette Mountain Job Description

Snowmaker

Department: Administration

Reports To: Snowmaker Manager

Supervises: N/A

FLSA Classifications: Non-Exempt

Approved By: President / CEO

Job Purpose

As a Snowmaker you will brave the elements, be prepared for long hours and potentially work overnight to lay the groundwork for the ski season creating an exceptional experience for our guests. As part of the MMR snowmaking team, you will help create the first snow of the season.

Essential Duties and Responsibilities:

- Safe and efficient operation of snowmaking equipment
- Perform daily snowmaking equipment maintenance
- Create the best quality manufactured snow for our guests
- Operate all department vehicles in a safe manner according to department, resort and company policies and procedures
- Document and report mechanical/safety issues, complete maintenance logs and checklists
- Work closely with other departments including Grooming, Ski Patrol, and Lift Operations
- Learn all basic department, resort and company policies and procedures
- Be able to work under minimal supervision
- Additional duties as assigned

The above list reflects the general details necessary to describe the principle and essential functions of the position and shall not be construed as the only duties that may be assigned for the position.

An individual in this position must be able to successfully perform the essential duties and responsibilities listed above. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position.

Minimum Qualifications:

- Must have a valid drivers license
- Ability to work weekends, nights and holidays
- Basic hand tool knowledge and skills
- Must be able to lift up to 70lbs

Education: High school diploma or GED equivalent

Experience and/or Training: No experience necessary

Licenses/Certificates: N/A

Technology/Equipment: Snowmaker

Physical and mental demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Regularly required to stand; walk; use hands to finger, handle or feel; reach with hands and arms; and climb or balance
- The employee is frequently required to sit and stoop, kneel, crouch or crawl and occasionally required to taste or smell
- Must regularly lift and/or move up to 25 pounds
- Specific vision requirements of this job include close vision, distance vision, peripheral vision, depth perception and ability to adjust focus

Equipment Used:

- Snow removal equipment
- Snow making equipment

Working Environment:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Harsh outside weather conditions.
- Occasionally exposed to wet and/or humid conditions; high precarious places; extreme cold; risk of electrical shock; and vibration.
- Noise level in the work environment is usually loud.
- Regularly work near moving mechanical parts and exposed to outdoor weather conditions and vibration

I have read the and understand the duties, responsibilities and requirements for this position.*
